

Invitation to the 76th FIABCI World Real Estate Congress In Vienna from June 8-12, 2026

Dear XX,

on behalf of FIABCI Austria, it is our great pleasure to personally invite you to participate in the **76th FIABCI World Real Estate Congress**, to be held **in Vienna, Austria, from June 8–12, 2026**.

This Congress represents a rare and significant milestone for our federation. The last FIABCI World Congress hosted in Austria took place 37 years ago, in 1989, welcoming more than 2,000 participants. Hosting the Congress once again is both an honor and a responsibility, and we are committed to delivering an exceptional experience for our international members.

The FIABCI World Real Estate Congress 2026 offers a unique opportunity to connect with like-minded real estate leaders, gain first-hand insight into the Viennese and broader European real estate market, and build long-lasting cross-border partnerships. Under the guiding theme **“ACT – Action. Collaboration. Transformation.”**, the Congress is designed to turn ideas into reality, foster global cooperation, and actively shape the future of our industry.

Over **five days**, participants will engage in a high-level business and networking program, with the core business conference taking place on Tuesday and Wednesday, featuring:

- Around **20 internationally recognized speakers**, addressing global real estate investment trends, valuation, asset and property management, brokerage, and PropTech solutions
- Dynamic **panel discussions, keynote sessions**, and targeted **break-out sessions**
- Direct exchange of experience and best practices among senior decision-makers from **around the world**

Beyond the professional program, Vienna itself is deeply reflected in the Congress concept. Known for its imperial heritage, classical music, and innovative urban development, the city offers an inspiring setting for meaningful professional and cultural exchange—particularly attractive for our international guests.
